REAR ADMIRAL WILLIAM F. RABERN
Director of Special Projects
Department of the Navy
Washington 25, D. C.

Dear Admiral Rabern:

Thank you for the interesting and enlightening "Polaris" briefing the other day, as well as the visit to New London. Going aboard the USS George Washington was a most enjoyable experience.

I am sure that the other Agency representatives who had the opportunity to attend the presentation and to see the submarine were equally impressed.

Thanks also for the color picture of the George Washington together with its novel "paperclip".

With kindest regards,

Sincerely,

Dear Admiral Raborn:

I want to tell you how much I enjoyed the briefing on the "Polaris" system and also the visit to New London to see the submarine, USS George Washington.

The briefing and the trip were extremely well-handled and we were impressed with the clock-like arrangements that had been made for us. I might say that we will find this particular session with you very helpful in our work here.

It was a pleasure for me to join you and I would like to thank you for the many courtesies extended on this occasion.

Sincerely,
